JUSTICE THROUGH COMMUNITY POWER

144,000

People with disabilities were spared an **“un-fare” hike on Access-A-Ride fares**, and 1,400 Access-A-Ride users are now provided “on-demand” paratransit services in an **MTA pilot program**.

68

medical providers were trained in advocacy, and they **won release on medical grounds for dozens of people** in immigration detention.

125

people filed applications for citizenship thanks to our **pro bono naturalization clinics**.

12,000

Deaf drivers in New York can now better communicate during traffic stops with the NYPD through the use of a **visor card**.

CLOSED

We **shuttered exploitative private sanitation company** Sanitation Salvage, after it tried to cover up the death of an “off the books” employee.

NYLPI IN 2018-19 // JUSTICE THROUGH COMMUNITY POWER

1,200

Children with **disabilities** were assisted in obtaining appropriate education services by NYLPI staff and our member firms.

We won **life-saving state medical coverage** for immigrant New Yorkers previously without documentation or insurance, including **heart and kidney transplants**.

44,000

DACA recipients remain eligible for **state-funded Medicaid** after our coalition's legal advocacy led to policy change.

We testified before **city, state and national** government agencies and legislative bodies.

\$1MIL

Our services resulted in \$1 million in **direct benefits** to 22,000 New Yorkers.

20,600

community members **were trained and empowered to mobilize for positive change**.

We got New York City to put forth a plan to **reform the commercial waste industry** and provide good, safe jobs for all.

555,000

New Yorkers in low-income, overburdened districts will now escape unfair targeting by waste-transfer businesses and see fewer trucks, thanks to the **new waste equity law** we worked for years to pass with our partners.

1.5MIL+

We mobilized **900 attorneys at 80 firms** to support **402 nonprofits** that serve **1.5 million** New Yorkers in need.
