

New York Lawyers for the Public Interest (NYLPI) combines the power of law, organizing, and the private bar to protect civil rights and achieve lived equality for communities in need. For more than 40 years, our community-driven approach has defined our commitments to civil rights, and to health, disability, immigrant and environmental justice. Last year, our work directly impacted the lives of one million New Yorkers.

NYLPI's annual Law & Society Award Luncheon gathers prominent members of New York's legal and corporate communities to honor lawyers who exemplify a commitment to the public good.
